

WORKSHOP ON

# Poisson Geometry and related topics

Manaus, Amazonas, November 04-08, 2024

## CERTIFICATE

We hereby certify that Danilo Machado Tereza, Universidade Federal Fluminense, attended the XI Workshop on Poisson Geometry and related topics, which took place in the Federal University of Manaus (UFAM), Amazonas, Brazil, presenting the work entitled *Momentum map reduction for nonholonomic systems via Dirac structures*

Henrique Bursztyn

Organizing Committee

WORKSHOP ON

# Poisson Geometry and related topics

Manaus, Amazonas, November 04-08, 2024

## CERTIFICATE

We hereby certify that Luiz Felipe Andrade Campos, Universidade Federal de Minas Gerais, attended the XI Workshop on Poisson Geometry and related topics, which took place in the Federal University of Manaus (UFAM), Amazonas, Brazil, presenting the work entitled *Graded manifolds and splittings of supermanifolds*

Henrique Bursztyn
